Assignment Title: Individual Gantry Crane Specialist (International)
Reference No.: SRCTIP/PCU/NITDB/CS/IC-077/078

The Government of Nepal has received financing from the World Bank toward the cost of the Strategic Road Connectivity and Trade Improvement Project (SRCTIP), and intends to apply part of the proceeds for consulting services.

The consulting services ("the Services") include preparing concept design, detail technical specifications for Gantry Crane for procurement and supervise the installation works of Gantry Crane at Birgunj ICD. The Gantry Crane Specialist Consultant's service is required for 75 days (intermittent) over 2 years period during two phases.

The NITDB now invites eligible "Consultants" to indicate their interest in providing the Services. Interested Consultants should provide information in the detailed curriculum vitae demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are: Minimum Bachelor's degree in Mechanical/Industrial/Electro-Mechanical Engineering or its relevant discipline with at least 7 years of experience in the related field and specific experience as Engineer in Gantry Crane Erection & Commissioning in at least Three (3) Gantry Crane Projects at least at two different locations.

The attention of interested Consultants is drawn to Section III of the *Procurement Regulations for IPF Borrowers, July 2016, revised November 2018* ("Procurement Regulations"), setting forth the World Bank's policy on conflict of interest. A Consultant will be selected in accordance with the Individual Consultant's Selection method set out in the Procurement Regulations.

Further information and Terms of Reference can be obtained at the address below during office hours or from websites www.moics.gov.np / www.nitdb.gov.np
Expression of Interest must be delivered in a written form along with a detailed resume to the address below in person, or by e-mail by 20 May 2021.
